

Bay Insulation 2007 Ltd

Funding support from Energy Efficiency and Conservation Authority's, ENERGYWISE™ funding programme

Houses are eligible for one grant of a third of the cost of insulation/other measures, up to \$1300 (incl GST). They are also eligible for a grant of \$500 towards the installation of an approved clean heat.

There is no restriction based on household income.

Access to the funding is available for houses built prior to 2000 that lack insufficient insulation to meet EECA's requirements (as assessed by Bay Insulation (2007Ltd) an approved service provider.

EECA Funding Offer Subject to Eligibility:

	Insulation & other Measures	Clean Heating
All Pre 2000 NZ Houses (Including rental properties)	Grant of 1/3 off the cost of insulation up to \$1,300 (incl GST)	Clean Heating Grant of \$500 (incl GST)
All pre 200 Houses owned by a Community Services (CSC) Holder	Grant of 60% of the cost of insulation	Grant of \$1200 (incl GST)
All pre 200 Houses occupied by tenants that hold a CSC card	Grant of 60% of the cost of insulation	Grant \$500 (incl GST)

The grants will be provided for the following products only:

- Ceiling and under-floor insulation is compulsory.
- Clean heat appliances.
- Hot water cylinder wraps/pipe insulation
- Draught-stopping
- Vapour barriers

DECLARATION OF ELIGIBILITY

Purpose

This form establishes the eligibility of a Homeowner and a dwelling for ENERGYWISE™ Funding and authorises the disclosure of information as necessary in support of the declaration.

Requirements for eligibility under ENERGYWISE™ Funding

For Bay Insulation (2007) Ltd to provide a Home Energy Rating, heating and/or insulation solution using ENERGYWISE™ Funding, Homeowners and the relevant dwelling must

- meet the eligibility criteria below;
- declare that they meet the eligibility criteria by reading, completing, signing and dating this form;
- authorise the disclosure (as may be required) of information to confirm the details in the declaration; and
- provide the completed and signed form to Bay Insulation (2007) Ltd

Please note that each Homeowner is to authorise the disclosure of further information (as may be required) to confirm the details in the declaration.

Eligibility criteria

One ENERGYWISE™ Funding or grant is available for:

- a Homeowner's primary place of residence; and/or
 - each of any residential tenancies a Homeowner may own.
- and/or
- A landlord with a current Community Services Card holding tenant and eligible for the higher level of funding.
 - All homeowners who a Community Services card holder.

Dwellings that have received insulation retrofits or heating upgrades funded by EECA through other programmes (such as ENERGYWISE™ Home Grants or the Clean Heat programmes) cannot receive ENERGYWISE™ Funding (and vice versa) for the same measure.

Definitions

A "homeowner" may be:

- an individual or partnership;
- trustees (whether individuals or corporations);
- a company (including a Loss Attributing Qualifying Company); or an
- incorporated society.

Form of Declaration

Date _____

To: Bay Insulation (2007) Ltd
Energy Efficiency and Conservation Authority (EECA)

I/We declare that:

1. I/We have read and understood the ENERGYWISE™ Funding eligibility criteria set out as preamble to this Declaration;
2. Bay Insulation (2007) Ltd is to provide a insulation and/or heating solution (delete as applicable) to our dwelling at:

.....
3. Our legal status as owners of that dwelling is the following (circle one):

Individuals / Partnership / Trustees / Company / Incorporated Society
4. I/We confirm that this dwelling is:
 - (individuals only) my/our primary place of residence; or
 - being used by one or more individuals as their primary place of residence;
5. This dwelling was, to the best of my/our knowledge, originally built before 1 January 2000;

We agree that each of you may check the accuracy and completeness of the matters in this Declaration and we authorise any person to release to you any information about those matters for the purposes of that checking.

We acknowledge that EECA may contact us as part of its ENERGYWISE™ Funding quality assurance.
